

IRIS Release Notes

5.3.1.9 – 07/18/2017

Post-Arrival		
Description	Type	Ticket
<p>M5 90th day report issue</p> <p>For Q8. "Has the minor's sleeping arrangement changed since the Pre-Suitability visit?" = 'N' then the sub-question "share a bedroom?" displays 'Null' value even though the question is answered on the pre-arrival suitability form.</p> <p>The discrepancy has been resolved by displaying the correct value from the pre-arrival form when Q8 = 'N' on the 90th day report.</p>	Bug	165633
