IRIS Release Notes

6.0.3.1 – Released 11/15/2020

Pre-Arrival		
Description	Type	Ticket
Biodata Import - Target Assurance Date When a Level 1 case is imported, IRIS adds 1 day to the Allocation Date to determine the Target Assurance Date. When the Allocation Date is a Friday, the Target Assurance Date ended up being on a Saturday. RPC did not expect cases to be assured on a Saturday, so IRIS has been changed to skip weekends when determining the Target Date for a Level 1 case.	Enhancement	258447
