

IRIS Release Notes

6.0.4.2 – Released 1/6/2021

Reports		
Description	Type	Ticket
Custom Reports – New Job Placement Data Source Added a new Job Placement data source. Note that this new data source will report on all cases that contain Job Placement data, unlike the existing Job Placement Locked data sources, which only include records that were part of the MG 120/180 Day reports.	Enhancement	262754
