IRIS Release Notes v6.7.2

November 29, 2022

Enhancements

Request ID	Subject	Category
331323	**Non Refugee Case Cross Reference**	**Administration**
Increased the character limit for Case_Number to 15 characters on Cross Reference tab to allow users being able to locate Non-Refugee cases via Alien Number.		

Bug Fixes

Request ID	Subject	Category
332112	**R&P Reports Show Blank After Submitted**	**Reports**
Updated logic in R&P reports to correct issue surrounding specific case types appearing blank after they were saved.		
331117	**Case Worker List Not Correct**	**Administration**
Corrected an issue where if a User had access to a Main Office and Sub Offices, when adding case notes in the sub office the User's name would not appear in the available Caseworker drop down list.
