342525	**Update RP RA Summary**	**Reports**
Updated the standard report to add questions 7 and 8 from the R&P Period Report for Cases. JIRA Support Ticket: AP-3910		
339975	**Matching Grant Jobs Placement**	**Matching Grant**
Added a preset list of industry types and position levels to Matching Grant, along with an option to select self employment for better reporting and faster data entry.		

Bug Fixes

Request ID	Subject	Category
342530	**Prevent Selection of Q7 and Q8 on R&P Period Report (Case)**	**Reports**
Previously, affiliates could answer "yes" to both the case being assigned a co-sponsor group and assigned a support team. This fix disables both questions from being answered as "yes" simultaneously.
